

**RE: Exodus Intelligence Training Sessions**

To whom it may concern,

Exodus Intelligence is offering a 5 day training course beginning \_\_\_\_\_ and ending \_\_\_\_\_ this course is located in \_\_\_\_\_. I would like to request approval to attend this training session as the topics presented are relevant to my position at \_\_\_\_\_. The course is instructed by well-known security researchers with extensive experience in the field.

The topics covered include: Advanced Exploitation Techniques, Vulnerability Analysis, Platform Mitigations and Bypasses, Binary Instrumentation, Advanced Reverse Engineering Topics, Code Flow Analysis. The course includes many practical exercises which highlight generic, reusable methods that can be used to improve the quality and speed of day to day analysis or reverse engineering tasks.

Approximate attendance cost:

Flight: \_\_\_\_\_

Transportation: \_\_\_\_\_

Hotel: \_\_\_\_\_

Meals: \_\_\_\_\_

Tuition: \_\_\_\_\_

Total: \_\_\_\_\_

---

Upon returning from the training session I will provide a summary of the course lessons, suggested actions to be considered by the company based on the information gained at the event, and a review of the course in order to provide additional information for consideration when evaluating future employee attendance of this course.

Thank you for your consideration.
